2. Lempis

1 - Le Grand Pont - 142 m Follow Les Terres Grasses 1.9 km Etables 9.4 km

Be careful as you follow the D532 for about 200m before turning left onto a path going into a wood of oak trees. At the following crossroads continue ahead. After a while when you come across the stream, step over and feel the coolness it offers. Continue uphill to a road. Turn right and carry on until you get to the ridge.

2 - Les Terres Grasses - 380 m Follow Le Grand Pont 3.5 km

Take the small track going down to the road. It becomes quite sinuous offering some beautiful views of the curve in the river Doux below. Further down, above the maison de la Vallée, you go into a chestnut grove. Carry on to the maison de Gouny then follow the path uphill alongside the field. Head for the road then go uphill to your left then right after the maison de Monerone. Turn left and go down the main path back to the starting point.
