Arrival : Vaudevant - Centre of the village
Markings : 🚶 VTT
Cities : 1. Vaudevant
2. Saint-Félicien
3. Saint-Victor

1 - Vaudevant

Go up to the church then onto the street opposite the entrance. At the end of the straight stretch of road turn left up the path through pastures and woodland.

2 - Char

Take the small lane on the left.

3 - Brudon

Turn left when you see the old cart axle, onto the narrow path taking you down through fields. Go through the hamlet then carry on down to the main road.

4 - Sauze

Turn right and go along for a few metres before turning left and heading down towards the first house. Go along the road below, running parallel. Cross the road and continue along a grass path going uphill. When you come out onto the small lane, carry on along until you reach the end. Continue along the path then turn left at the first crossroads onto a rough and technical path. Further down go onto the road leading to houses.

5 - La Simonde

Bear sharp right onto the very steep lane.

6 - Chemin de la Congerie

Continue on the even steeper rough path facing you. Further up bear left down into pine woods. Cross the main road further down onto the lane which becomes track as it goes through the residential area.

7 - Chatelas

Head down the grass path to the left. Turn left onto the main road below and go along a few metres before turning right onto the lane leading to Goudard. Go past the farm barn on the small path and back onto another road further on going down to Moulin des Gaillards.

8 - Moulin des Gaillards

Go along the paved path on the right along the building. Further up, go through the hamlet and turn left. Bear left at the T junction (postbox) then left again onto a grass path just before the first house. The path zigzags down through woodland to les Gaillards. Just before the road, bear sharp right and carry on down. Cross the stream then continue through woodland along the hillside, parallel to the river Daronne until you reach the following hamlet.

9 - Raillon

Take the road leading to the hamlet and head down towards the campsite below on the edge of the river.

10 - Pierrageai

Just after the shallow water crossing follow the river along the leisure area of the campsite. The path continues through the tree gardens then zigzags through woodland.

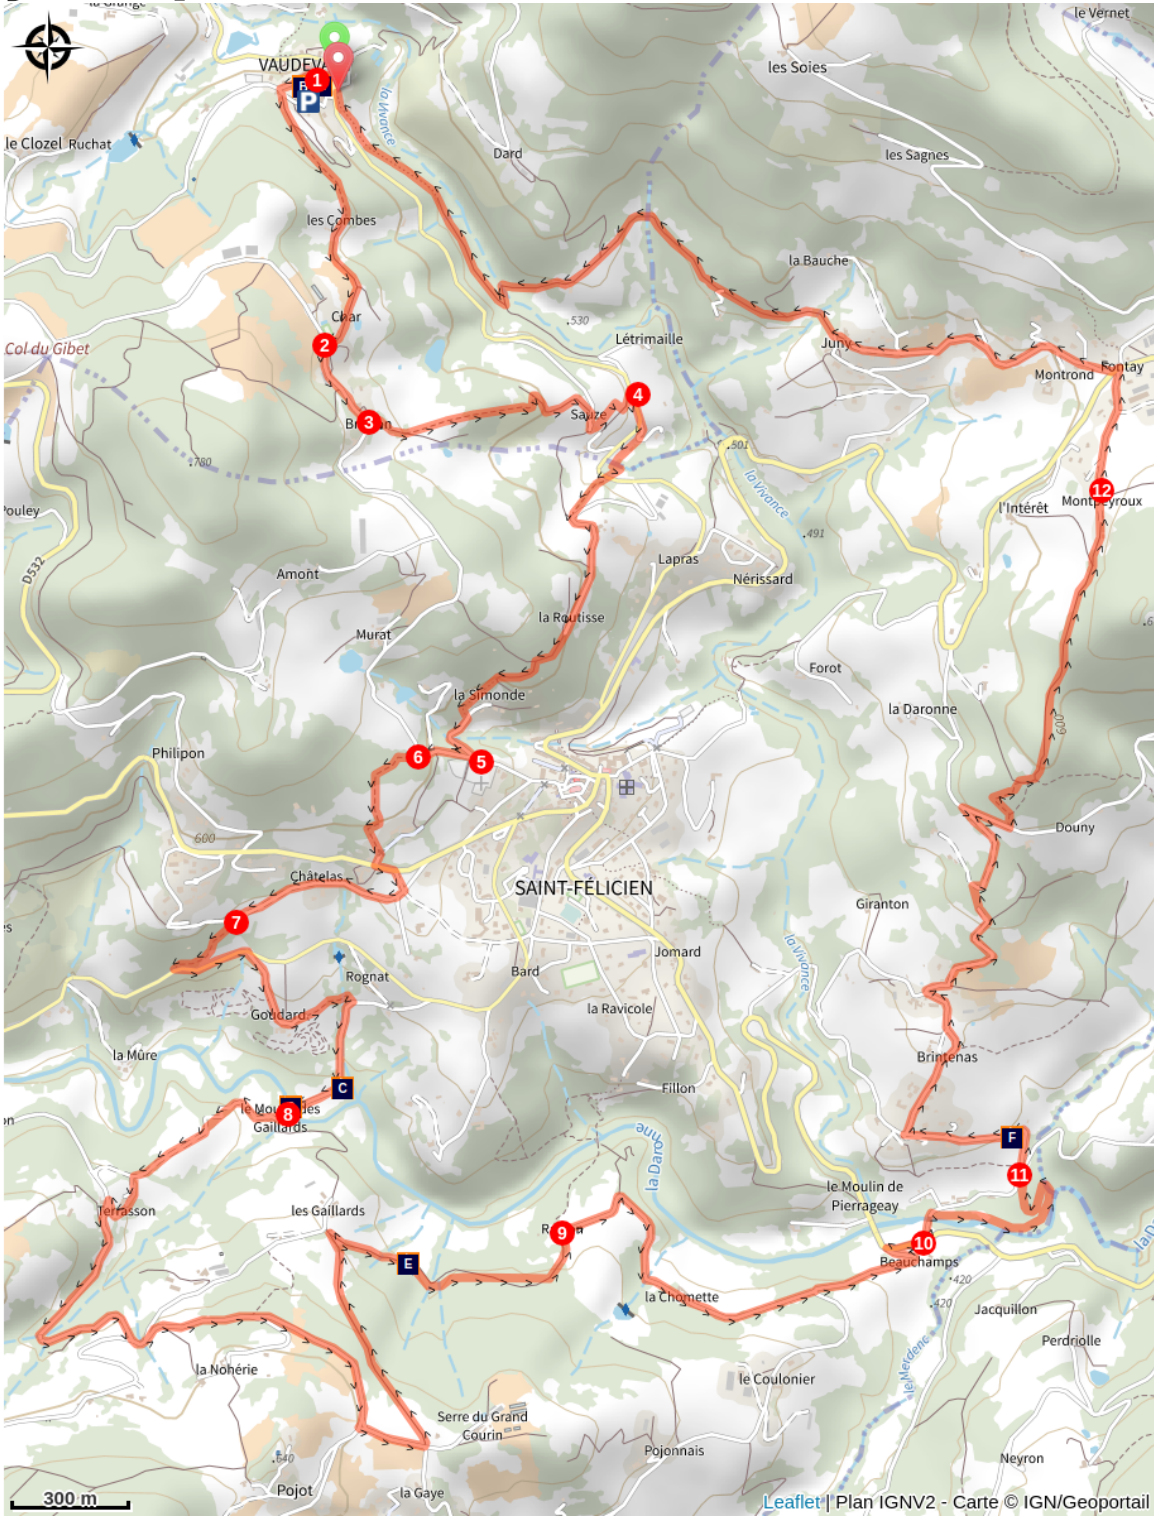

11 - Brintenas

Go onto the road facing you leading to the top of the campsite. At the following crossroads take the road on the right. When you reach the top bear right onto the track going up into the woods. This leads to another road where you turn right then right again onto the upper road. When you reach the cross, turn left onto a rough and technical section.

12 - Montpeyroux

Continue ahead on the road leading to Col de Fontaille. Cross the main road onto the lane further down, to the left of the house opposite you. Go down into the residential area keeping to the left. The road becomes a country lane along the hillside. Head down into the dale, cross the river Vivance and go up and along the other side taking you back to the starting point.
