Journey down to Saint Régis

Ardèche Verte

Croisière entre Saint Vallier et Tournon (Les Canotiers)

The e-bike is easy but careful downhill it can be pretty fast ! Why not be a little lazy for the uphill part and choose the bus along with your bicycle (only in summer). A way of getting to Lalouvesc and making the most of the journey down. Once in Saint-Vallier get on board the "Canotiers boat" (wooden boat) with your bike and enjoy a lovely cruise back to Tournon-sur-Rhône.

Useful information

Practice : Vélo à Assistance Electrique
